- A partial merit based scholarship of 50% on first semester tuition fees for students with an outstanding achievement in their undergraduate scoring 70% and above or equivalent with an IELTS/TOEFL score of 7.0 overall and its equivalent.
- Exceptional postgraduate qualification such as Chartered Accountant, Cost accountant etc. or other graduate (with 85% of total marks) certificates.
- Outstanding achievements in social service, sports and extracurricular activities are also considered (The applicant should provide certificates or proof of the same)
- Exceptional work experience:
 - A. Minimum 2 years works experience in PJSC Co./Reputed LLC Company (for work experience in UAE).
 - B. 1-year work experience in listed Company / 2 years work experience in large unlisted Public Co. or Pvt. Ltd. Company (for Work experience).

All applicants will be considered for an Academic Scholarship at the time of admissions to the program only.

2. **MERIT BASED SCHOLARSHIP**

If a student score CGPA of 3.75 and above during the program, he/she is eligible for merit scholarship for the next semester of the program. As per the scheme up to 20% of the following semester' tuition fee is exempted for the students. For the merit based scholarships, student will be informed about the scholarship they may be eligible for and should meet the criteria as they will automatically receive the scholarship according to the student handbook.

3. **WOMEN'S ACHIEVEMENT SCHOLARSHIP**

This scholarship category is only open to female students.

Students with work experience of more than 6 months must submit an essay (at least 300 words) introducing their experience, current job profile and the achievement to motivate why she should be considered for the scholarship. The decision will be made on the essay; resume and study plan.

Students can get scholarship up to 20% on the first semester tuition fee depending on the impact of the essays. Plagiarism will not be tolerated. (The scholarship committee will judge the essay).

4. **SIBLING DISCOUNT**

When an existing student refers his brother/sister to pursue their degree at IMT Dubai, both the students are given a discount of 10% on the next two semesters tuition fee. (*The existing student will get the rebate for the next 2 semesters and the sibling for first and last semester*). In case, one of the sibling in the last semester of study, no discount will be applicable to him/her.

5. **FINANCIAL AID/ COMPASSIONATE GROUND**

The objective of these scholarships is to promote access to higher education to students facing financial hardship. Up to 40% Tuition fees waiver

Student must have an academic average of 70% or above to apply

CGPA must be 3.30 or higher for the scholarship to continue. Scholarship holders failing to meet the above-mentioned requirements will no longer be entitled to retain their scholarship and will therefore have to pay the applicable tuition fees in order to continue their studies.

Students must submit the following documents:

- Completed and signed application
- Current Rental contract
- Bank statements
- Employee certificate and salary statement for each employed family member
- Copy of Passport and Visa for all working family members (or both parents)
- Any relevant documents as a proof of financial inability

All documentation will be kept confidential. Any application with incomplete documentation will not be considered by the scholarship committee when awarding the Financial Hardship Scholarships.

6. **DIVERSIFIED SCHOLARSHIP**

Applicants from underrepresented countries or regions may qualify for special international scholarships, to provide a truly global learning experience. A maximum of 10 students from Africa, CIS (Commonwealth of Independent Countries) and Asia. 40% on the first and last semester tuition fee.

7. **EARLY ENROLLMENT GRANT**

In order to be eligible for the below grants, the applicant must apply, receive an offer letter, and pay a first year tuition fee on or before 30th June of 2019.

AED 5,000 early enrollment grant deducted equally from Tuition fees of all semesters/modules.

8. **REFERRAL SCHEME**

Current students will be offered a rebate of AED 2,000/- in the next module's Tuition fee for referring each student to IMT Dubai's Programs.

IMPORTANT NOTES:

- Scholarships are not granted for living costs, transportation, insurance, visa costs, registration, books, activities or other fees.
- The grant will be adjusted equally against each semester tuition fee.
- The student will be awarded only one type of scholarship, rebate or discount of the highest value in case a student qualifies for more than one. Early Enrolment and Referral scheme rebates are additionally applicable.
- Scholarships and grants are valid for the term offered and cannot be deferred. All conditions of offer must be fulfilled before a scholarship can be awarded.
- New students must satisfy all academic and English language entry requirements for admission prior to being awarded a scholarship or grant.
- The above scholarship scheme is valid for the academic sessions in 2019 and Spring 2020.

HOW APPLICANTS APPLY TO SCHOLARSHIP:

- While there is no formal application for scholarships, students are expected to send in a request in order to apply for a scholarship. The sooner the application is made, the greater the chance of receiving a scholarship.
- To apply for a scholarship, simply prospects will submit their application and complete the documents required for the scholarship. Also comment in their essay about why they think they warrant financial assistance.
- Requests for a scholarship can be sent by mail to the following email address: admissions-dubai@imt.ac.in with subject "Post Graduate Scholarship application".
