

# IMT Ghaziabad students win US\$ 100,000 for sustainable solutions

Students of IMT Ghaziabad have emerged as the winners of PepsiCo's 'Change the Game' campus challenge. It was called for sharing innovative business ideas for sustainable plastic packaging and recycling. The India winners, Tushar Vishnoi and Utkarsh Garg from IMT Ghaziabad, went on to compete at the final round in Dubai and have been awarded a grant of US\$ 100,000 to bring their idea to life. They have also received an opportunity to start their career at PepsiCo India as management trainees. Suchitra Rajendra – VP Human Resources India region, PepsiCo India, said, "The challenge aims to spot the brightest talent by inviting them to develop sustainable and viable solutions."
