..... Mother Teresa

We welcome you all on the first edition of IMT Executive Bulletin reflEXions.

It's with pleasure we share the Intellectual Property of the PGDM- Executive batch of IMT Ghaziabad gathered in the last one month. The journey goes as follows ...

One month has passed and all of us have adapted to the IMT family. Entering the class rooms after five to fourteen years of professional life, it has been really challenging to be in a student's shoes again. We had fourteen exams in just one month, but then it's been rightly said "When the going gets tough, the tough gets going". It's not just exams and case studies but also lots of fun with parties, birthday celebrations and extracurricular activities.

In spite of a hectic schedule, we formed three committees (Cultural, Sports, ALCOM) with a few more in the pipeline.
